1. BigLinx Privacy Policy - ADS-TEC ENERGY

This Privacy Policy (“**Policy**”) sets out how ads-tec Energy GmbH (collectively, “**ADS-TEC**,” “**we**” “**us**” or “**our**”) collects, uses and discloses information related to users of the Internet of Energy Service & Maintenance Platform “Big-LinX® Energy” (the “**Service**”). If you do not agree with this Policy, please do not use the Service or provide us with any Personal Information (as defined below). This Policy does not apply to (1) websites, software applications, and other online properties and services that do not link to this Policy; or (2) any other collection, use or disclosure of data other than via the Service. If you have questions regarding this Policy, please contact ADS-TEC via our contact page.

ACCEPTANCE OF TERMS OF USE

Your use of our Service is subject to the ADS-TEC Energy Big-LinX® Terms of Use, available at

- <https://www.ads-tec-energy.com/en/terms>
- https://www.ads-tec-energy.com/fileadmin/user_upload/files/Documents/Big-LinX-Energy_Terms_of_Use__US.pdf,

which includes applicable terms governing limitations on liability and the resolution of disputes. By using the Service, you accept and agree to the practices described in this Policy. If you do not agree with this Policy, please do not use the Service or provide us with any Personal Information (as defined below). This Policy does not apply to (1) websites, software applications, and other online properties and services that do not link to this Policy; and (2) any other collection, use or disclosure of data other than via the Services. Please note that ADS-TEC may, at its sole discretion, terminate your access to our Service at any time without notice.

CHANGES TO THIS POLICY

ADS-TEC may modify this Policy at any time, without prior notice, and changes may apply to any Personal Information we already hold about you, as well as any new Personal Information collected after the Policy is modified. We will notify you of any changes by posting the revised Policy on this page. We will notify you via email and/or prominent notice on our Website (defined below) prior to any significant changes becoming effective and will revise the date at the top of this Policy. If you continue to access or use our Service after being provided with the notice of changes, you acknowledge your acceptance of the updated Policy. You are advised to review this Policy from time-to-time for any changes. Changes to this Policy are effective when they are posted on this page.

Without prejudice to your rights under applicable law, we reserve the right to update and amend this Policy without prior notice to reflect technological advancements, legal and regulatory changes and good business practices to the extent that it does not change the privacy practices as set out in this Policy.

INDIVIDUAL RIGHTS.

Please see the **Your Rights and Choices** section below for a description of the choices we provide and the rights you have regarding your Personal Information.

NOT COVERED BY THIS NOTICE.

This Policy does not apply to job applicants or to ADS-TEC employees and non-employee workers, whose Personal Information is subject to different policies.

2. DEFINITIONS

- (a) **Personal Information.** “**Personal Information**” means any information relating to an identified or identifiable natural person. An identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person.
- (b) **Processing.** “**Processing**” is any operation or set of operations which is performed on Personal Information or on sets of Personal Information, whether or not by automated means, such as collection, recording, organization, structuring, storage, adaptation or alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, alignment or combination, restriction, erasure or destruction.
- (c) **Profiling.** “**Profiling**” means any form of automated processing of Personal Information consisting of the use of Personal Information to evaluate certain personal aspects relating to a natural person, in particular to analyze or predict aspects concerning that natural person’s performance at work, economic situation, health, personal preferences, interests, reliability, behavior, location or movements.

3. COLLECTION OF PERSONAL INFORMATION

- **For Our Legitimate Business Interests:** including where the interest of our business in conducting and managing our business to enable us to give you the best service and the best and most secure experience. We make sure we consider and balance any potential impact on you (both positive and negative) and your rights before we process your Personal Information for our legitimate interests. We do not use your Personal Information for activities where our interests are overridden by the impact on you (unless we have your consent or are otherwise required or permitted to by law). You can obtain further information about how we assess our legitimate interests against any potential impact on you in respect of specific activities by contacting us.
- **To Perform any Contracts in Place between Us and You:** where it is necessary for the performance of a contract to which you are a party or to take steps at your request before entering into such a contract.

Aggregate and De-Identified Data. We may de-identify information and create anonymous and aggregated data sets and reports to assess, improve and develop business, products and services, prepare benchmarking reports on our industry and for other research, marketing and analytics purposes.

We may Combine Information from Different Sources. For example, we may combine information that we have collected offline with information we collect online, or we may combine information we get from a third-party with information we already have.

If you submit any Personal Information relating to other people to us, you represent that you have the authority to do so and have informed that other person about the contents of this Policy.

5. DISCLOSURE OF PERSONAL INFORMATION

We may share or disclose the Personal Information we collect as follows:

- **Service providers:** We may disclose Personal Information with third-party service providers who use this information to perform services for us, such as hosting providers, auditors, advisors, consultants, customer service and/or support providers.
- **Subsidiaries and affiliates:** We may share your Personal Information with our affiliated companies (i.e., our parent company and other companies under common ownership, control or management with us); they may use such Personal Information for the purposes set out in this Policy.
- **Legal Compliance:** We may be required to share Personal Information in response to a valid court order, subpoena, government investigation, or as otherwise required by law. We also reserve the right to report to law enforcement agencies any activities that we, in good faith, believe to be unlawful. In addition, we may share certain Personal Information when we believe that doing so is reasonably necessary to protect the rights, property and safety of our company and/or others.
- **Business Transfers:** We may disclose and/or transfer Personal Information as part of any actual or contemplated merger, sale, transfer of assets, acquisition, financing and/or restructuring of all or part of our business, bankruptcy or similar event, including related to due diligence conducted prior to such event where permitted by law.
- **Protect our Rights:** We may disclose Personal Information where we believe it necessary to respond to claims asserted against us, to enforce or administer our agreements and terms, for fraud prevention, risk assessment, investigation and/or to protect the rights, property or safety of ADS-TEC or our affiliates, clients, users and/or others.
- **Your Consent:** We may disclose Personal Information with your consent.

6. COOKIES AND ANALYTICS

We use cookies, which may be provided by third parties, on our website www.big-linx-energy.com (“**Website**”) to enable certain functionality and for security and fraud detection and prevention, as well as to collect usage information about our Website and to personalize content and provide more relevant ads and information. We may combine the information we collect via these technologies with other information, including Personal Information. For more information about how we use cookies, please see below.

Cookies. By placing a small file known as a “cookie” on your device, our servers passively gather information about all visitor’s use of the Website for the following purposes: statistics collection and analysis, system optimization, analytics (as described below), market research, and maintenance of user login information. The information that we and our third-party providers track with cookies includes, but is not limited to, the type of browser (such as Google Chrome or Internet Explorer) and Internet-connected devices being used to access the Website, your Internet protocol (“**IP**”) address, your home domain or Internet service provider, your referrer URL (which is the URL for the website that you were viewing prior to visiting the Website), how you were directed to the Website, which specific pages you access on the Website, how long you view each page, the time and date you access our Service and the total number of visitors to the Service and any portions thereof. We may use the information collected from cookies or similar files on your computer for security purposes (such as authentication), to facilitate site navigation and to personalize your experience while utilizing the Service. This data helps us improve our product and services. A cookie in no way gives us access to your computer or any information about you, other than the data you choose to share with us.

Types of Cookies. Our Website uses two kinds of cookies: Strictly Necessary cookies and Functionality cookies.

- **Strictly Necessary Cookies.** Strictly Necessary cookies are used for technical reasons and are necessary to enable the Website to operate efficiently so that you can navigate our Website with ease and use specific features. These include, for example, cookies that help us to debug any errors. If these cookies are blocked or disabled, some of the Website may not operate effectively.
- **Functionality Cookies.** Functionality cookies are used to improve the functionality of the Website and make it easier to use. They help us to identify you as a repeat user of our Website and help us remember your preferences (for example, your choice of language or region), improving your user experience.

To give you control, we provide you with a Cookie Consent Tool, which allows you to review the first-party and third-party cookies placed through our Website and adjust your cookie settings, including whether to accept or decline such cookies. You can access the Cookie Consent Tool by clicking the “Cookie Consent” link at the bottom of every page and modify your preferences in our cookie banner. In addition, you can manage cookies through the settings of your internet browser. You have the right to withdraw your consent to cookies at any time by clicking on the Cookie Consent link and modifying and saving your preferences. In the settings of your Internet browser you can choose which cookies to accept and reject. Please be aware that if you decide to disable or block cookies, parts of the Website may not function correctly, or at all.

The following website provides useful information about cookies, and may permit you to control the use of cookies by certain third parties: <http://www.aboutads.info/choices/>.

Security. The security of your Personal Information is important to us. We have put in place safeguards to protect the Personal Information we collect from unauthorized access, use and disclosure. However, we cannot guarantee that unauthorized access, hacking, data loss, or other breaches will never occur. We urge you to take steps to keep your Personal Information safe, such as closing your web browser when finished using the Services.

7. YOUR RIGHTS AND CHOICES

US data protection laws grant California, Colorado, Connecticut, Nevada, Utah, and Virginia residents the following data rights:

- **Right to Know and to Access.** You have the right to request that we disclose certain information to you about our collection and use of your personal data over the past 12 months.

You also have the right to request access to Personal Information collected about you and information regarding the source of that information, the purposes for which we collect it, and the third parties and service providers with whom we share it. You may submit such a request as described below. To protect our users Personal Information, we are required to verify your identity before we can act on your request.

- **Right to Portability.** You have the right to request that we provide a copy of the personal data we have collected about you, in a portable and, to the extent technically feasible, readily usable format that allows you to transmit the data to another entity without hindrance. Once we receive your request and confirm your identity, we will provide to you a copy of your data as required under the applicable

data protection laws. We may provide this data to you through your User Account with us, or via email to the email address you have provided with your request.

- **Right to Delete.** Subject to certain exceptions, you have the right to request that we delete any of your personal data. Once we receive your request and confirm your identity, we will review your request to see if an exception allowing us to retain the information applies. We will delete or de-identify personal data not subject to one of these exceptions from our records and will direct our service providers to take similar action.
- **Right to Correct.** Subject to certain exceptions, you have the right to request that we correct inaccurate personal data that we have collected about you. Once we receive your request and confirm your identity, we will review your request, taking into account the nature of the personal information and the purposes of the processing of the personal information to see if we can correct the data. We may also request additional information showing that the information you want to correct is inaccurate.
- **Non-Discrimination.** We will not discriminate against you for exercising any of your data privacy rights.
- **Exercising Your Rights.** To exercise your rights described above, please submit a request by emailing us at privacy@ads-tec-energy.com.

Only you, or someone legally authorized to act on your behalf, may make a request to know or delete related to your personal data. You may also make a request to know or delete on behalf of your child.

Certain data protection laws limit the ability to make a request to know to twice within a 12-month period, and allow us to charge a reasonable fee for responding to numerous requests from the same user. We cannot respond to your request or provide you with personal data if we cannot verify your identity or authority to make the request and confirm the personal data relates to you.

We will only use personal data provided in the request to verify the requestor's identity or authority to make it.

California Residents

- **Right to Opt-Out of Closing of Sale or Sharing of Personal Information.** We do not sell or share your Personal Information with third parties, as those terms are defined under the California law. However, we may disclose your Personal Information to a third party for a business purpose.
- **California Shine the Light.** Where applicable, California Civil Code Section 1798.83 allows California residents to request certain information regarding our disclosure of Personal Information to third parties for their direct marketing purposes. To make such a request please contact us using the information provided in the **Contact Us** section below.

The California Consumer Privacy Act of 2018, as amended by the California Privacy Rights Act of 2020 (“**CCPA**”), requires specific disclosures for each category of Personal Information that we collect and may provide to others. Some of the ways in which we provide Personal Information to others may constitute “selling” or “sharing” for targeted advertising. The table

below summarizes our general data handling practices which are more fully described in Sections 2, 3, and 4 of this Policy. We do not collect Sensitive Personal Information.
